The resignation of Elias Judeh, part-time teacher in Jesh Village School, if accepted, should date as from the 1st. June 1925 when the school closed for the summer holidays, and you will have, therefore, to collect from him the pay which he drew for the month of June and to which he is not entitled. On the other hand, he may be allowed to work for one month during this session, for which he will receive no pay.

2. The post of Elias Judeh is that of a part-time teacher, and therefore the substitute you propose, Huda Hanna Zuraiq, cannot be appointed in Grade VI, at £E.5 p.m., as you have recommended. The maximum salary for this post is £E.4 p.m.

The presence of the 2nd teacher Elias El Joudi in the school of our Village is the cause of all dispute and troubles that occur in our Village continually in spite of our advices to him. Fearing that this matter ^{will} ~~to~~ be forgotten and our previous Mazbata ~~to~~ be put away, we hereby offering you this begging you for his transfer in order to put an end to disputes and at the same time to protect our children of learning his ~~mean~~ character and obliged.

teacher.

I refer to the attached two letters.

I am not of opinion to transfer the teacher on basis of
the village letter.

There are many contradictions to it from the same village.

The teacher is accused of having fallen in love with the
wife of the priest's (Yousef El Alam) brother and for the sake of
love the wife of the priest's brother gave up living with her
husband.

I am informed that the lady in point left her husband
several times before and after the teacher came to Jish.

The wife and husband were and are in bad terms with each
other since long time.

The name of the teacher is put in this case because last
year he was living in the house of the mother (widow) of the wife
in point.

I am going to Jish again and I shall report further if
necessary.

The wife of the priest's brother is not living at Jish now.
She went to Jaffa and is living with one of her relations.

I Elias Iskan El Khouri teacher in the Jish village school beg to state the following.

I was informed of a certain matter which was reported to you by the priest Yousef El Alam and which grieved me very much as being all false and not true and you are aware of the bad behaviour of that priest. As you are my chief and every thing touch ~~you~~ my feelings touch yours as well. I beg you therefore to investigate this matter fully and at the same time I am ready to show that I am innocent in order to deal with said priest with an iron rod that he should repent of such doings which insulted my feelings and besides I beg you deal with him legally owing to his insult to me and I find it unnecessary for me to state the reason of this insult which I believe that this priest is well known to you. The girl in question is in bad terms with her relatives before my appointment as a teacher at Jish and enmity is deeply happening between them ~~from~~ an old time and I got no hand in this matter whatever. Please accept my respects.

We beg to state that the second teacher of our village El Jish named Elias Iskander el Judi is a man of a low and mean behaviour. We have reported to you his behaviour and we fear that his bad characters get through the minds of the scholars and perhaps some troubles would occur in our village re, his mean actions. We reported the thing to the D.I.E., Therefore we beg you to have him transferred from our village as we do not accept him to educate our children in order to put an end to the troubles and evil actions.
